Adverting to Government Order No L.5684-95/C M 90-54-1, dated 11/13th August 1954, graciously sanctioning a Government grant of Rs 25,000/- for improvement works-to complete underground drainage scheme in Davangere City out of the grant provided under the State Budget for 1954, with directions that the Municipality should provide a sum of at least Rs 25,000/- out of its funds to supplement the Government grant of Rs 25,000/- for the scheme and to obtain sanction of Government to the estimate and then draw the Government grant, I write to enclose herewith the following 7 estimates prepared by the Municipal Engineer at a total cost of Rs 54,577/-

1)	Laying 6" S W Pipe sewer in the conservancy behind the quarters of Viraktamatt in Bellu~~Ni~~ Murigappa's lane and connecting to manhole No 275-A (Ex M H)	445- 0-0
2)	Laying 9" S W Pipe sewer (~~perplicate~~ paneler line to from M H 184 (~~paraplicate to~~ existing line) where P J Extension, joins with old Town sewer line to 521 in Kana Road i e , to out fall sewer	8,100-0-0
3)	Laying 7" sewer from M H No 7 to Ex M H 31 in front of temple B D T Street	2,152-0-0
4)	Laying of 7" S W pipe sewer in Sulthanipet conservancy and connecting to existing Manhole 74 (near Honda) and 93 in Busapet	3,900-0-0
5)	For laying of 7" S.W Pipe sewer in the conservancy of Chowkipet ~~by~~ the side of Urdu Middle School	5,060-
6)	Laying 7", 9", 18" S W Pipe sewer in Busapet from M H No 80(in Doddapet) to M H No 520 in Kana Road through N N Street	19,000
7)	Laying of 12" dia , main pipe sewer in Kumbarakeri road and Tirukappanavar mutt road & connecting to existing manhole in Kana road	15,9

The drainage works in question are to be taken up during the year 1954-55 and form part of the comprehensive scheme ~~sanctioned~~ scrutinised by the Chief Engineer for Rs 10 23 lakhs These estimates were sent to the Superintinding Engineer, Sanitary Circle, Bangalore for furnishing his opinion in the matter The Superintending Engineer, Sanitary Circle, Bangalore went through the estimates for the works on 21-9-1954 and has intimated in his letter No 3779 dated 25-9-1954 that he found that the work proposed to be taken up during the current year forms part of the comprehensive scheme except for a short distance of 82' behind the quarters of Virakt Mutt in Belludi Murigappa's lane and he has suggested that even here the entire length of sewer lines may be taken up for laying during the current year as it considerably reduces the slum areas in the City I enclose herewith for kind information of Government copy of his letter No 3779, of 25-9-1954

All the 7 estimates in respect of works proposed to be taken up during the current year were placed before the Municipal Council at their meeting held on 29-9-1954 The Council while approving the 7 estimates aggregating Rs 54,577/- have resolved that sanction of Government may be obtained to the comprehensive estimate for Rs 10 23 lakhs as scrutinised by the Chief Engineer in Mysore, Bangalore and also to the Execution of the works through Municipal Agency, since there is a separate Engineering Establishment attached to this Municipality

In this connection I wish to bring to the kind notice of Government that an estimate was first prepared for Rs 9 72 lakhs and sent to Government for sanction The Government consulted the Chief Engineer on the several provisions made in the estimate and the Chief Engineer has scrutinised the estimate to Rs 10.23 lakhs So far, works costing Rs 2,06,612/- have been executed and hence the balance of works to be executed as per the estimate would be - Rs 8,16,388/-

The Government while sanctioning the Budget estimates of the Municipality for the current year in their order No. dated have deleted the provision made in this behalf under D Public Works carried out by Civil - Department (Original Works) with directions that the work may be arranged to be taken up after it is duly sanctioned

In these circumstances, I request you to kindly obtain sanction of Government to the comprehensive scheme for Rs 10 23 lakhs as scrutinised by the Chief Engineer and to take up the 7 works as detailed above costing in the aggregate Rs 54,577/- during the current year by utilising the Government grant of Rs 25,000/- sanctioned in this behalf and the balance to be met out of Municipal Funds and also to execute the works by Municipal Agency and communicate the same at an early date to facilitate completion of the works during the - current year

Copy of the resolution of the Municipal Council dated 29-9-5 7 estimates prepared by the Municipal Engineer, Copy of letter date 25-9-1954 received from the Superintending Engineer, Sanitary Circle Bangalore, referred to above and also the file of records relating to the Comprehensive Under-Ground Drainage Scheme for Rs 10 23 lakhs are enclosed herewith for kind perusal

Re Underground drainage works of Davangere City

In Continuation of my personal discussion with you during my inspection of the works on 21-9-1954 regarding the above, I write to state that the proposal of laying new sewer lines in the City (as per estimate prepared by Municipal Engineer) to an extent in value of about Rs 50,000/- was discussed with your Municipal Engineer and the Executive Engineer, Davangere Division in detail On verification I find that the work proposed to be taken up for which estimate has now prepared form a part of the comprehensive scheme sanctioned by Government, Except for a short distance of 82' behind the quarters of Viraktamatt in Belludi Muriyappa's line, the other works are in the comprehensive scheme Even here the entire lengths of the sewer lines may be taken up for laying during the current year as it considerably reduces the slum areas in the City

All the seven estimates noted in the margin received from your Municipal Engineer during my inspection are returned herewith to enable you to obtain the approval of the Municipal Council and take further action It was stated by you that the work would be got executed by Municipal Agency, but I wish to mention in this connection that as per standing Government Orders works of this magnitude will have to be executed only by the P W Department But if the Municipality have to get the work executed themselves, separate Government Orders will have to be obtained in the matter
